### Rules

1. Format: Individual stroke play over 9 holes. After a maximum of 8 strokes per hole, the player must pick up the ball and record a score of 8.
2. The Rules of Golf as approved by The R&A apply, as well as all regulations recognised by Swiss Golf.
3. Winter Rules – Preferred Lies may be applied everywhere.
4. With the exception of the green, teeing up on the fairway is permitted everywhere.
5. A ball that comes to rest outside the fairway (i.e. not on the groomed surface) does not have to be searched for. The player may tee up a ball on the fairway at the point of entry, no nearer to the hole, under penalty of one stroke. In the non-groomed surface, the ball must not be teed up, touched, or the ground altered.
6. Ladies and gentlemen play from the same tees.
7. On the “White” green, the snow surface may only be prepared using the provided grooming/smoothing device. Any breach of this rule will result in disqualification.
8. Any Local Rules posted by the Tournament Committee must be observed.
9. Official club handicaps from PRO to PR apply. The handicap is calculated at 50% (for 9 holes, accordingly 25%).
10. If a ball comes to rest on the race track, it must be placed on the groomed surface with a one-stroke penalty.
